5. The idea of one annual drive for funds should appeal to all of us as a simplified and time-saving means of making contributions to worthy organizations. If every employee of the Office of Logistics contributes an amount equivalent to the total each contributed in the several drives conducted during the past year we shall have no difficulty in meeting our share of the Agency goal of \$70,000. Let's do it!

INSTRUCTIONS TO KEYMEN

6. A meeting of all keymen will be held at 1330 on Friday, 9 September 1955, in Room 107A, R&S Building.

7. A sufficient quantity of Form No. 739 "Consolidated Charities Fund Pledge and Payment Record Cards" will be distributed to each keyman for the employees within his area. When pledges and/or payments are received the keyman will detach the receipt stub of this form, complete the necessary information and return to the contributor, who may keep a record of subsequent payments on the reverse side of this stub. The keyman will ensure that the name, Office, Room No. and all other pertinent data are completed on both sides of Form No. 739.

8. Form No. 740 "Consolidated Charities Fund Keyman's Campaign Report" will also be distributed to keymen. This form will be prepared
